GENESIS

Win a unique Alpkit pimped Genesis iO mountain bike by playing our Christmas Wrap competition.

HOW TO PLAY

1. Print this page.
2. Each day we will post a new picture on our website of an object that we have cunningly wrapped. Using a combination of the picture and the relevant crossword clue you should be able to fill in one of the answers.
3. Make sure to submit your answer online using the form under the picture box. For each correct answer you will get 1 entry into our prize draw.
4. Visit the site again the next day for a new picture clue.
5. To keep things spicy some days will only have a picture clue!
6. Your daily answer must be submitted on the day of the clue. Miss it and you lose the chance to get the maximum number of entries in the draw.
