# COLD GRIT

STANDARD ISSUE WINTER PLAYWARE

This page: Filo comes in Black, Lego, Ice, Chilli, Deep and Berry  
Opposite page clockwise from top: Hoar frost on a branch. Lego, Chilli and Ice

Filo comes with a removable wired hood and big zip pullers that work even when you are wearing gloves.

Above:: To be fair you don't always have the luxury of a spare jacket at the crag  
Opposite:: Railway Slab VS 4c. The rounded arete leads to an exciting exit or a big slide

Story time with Dan in the setting sun on the Black Rocks promontory.

### ABOUT US IN 100 WORDS

We go to the Alps, we climb, we paddle, we board, we ride, we visit our in laws.. we produce kit.. it's not that complicated. We are committed to developing high quality products and customer services with the same passion that a mamma would put into her tomato sauce. By selling online we can offer all of this at the best possible value. Guided by our passion for outdoor activity and influenced by people we admire we have pursued our dream to create something extraordinary. We are a small company with big plans, we hope you like what we do.

### ALPKIT® ALPINE BOND

If one of our products does not meet your expectations upon delivery or, if during it's lifetime does not live up to the demands placed upon it, please return it to us for repair, replacement or refund. If the problem is our fault then we will do this to your satisfaction if it's your fault then we will help out the best we can.
